

Employer Employment Law Provision

Are you prepared for changes to Employment Law?

Awards at Tribunal in discrimination cases are unlimited. In the year 2004/05 this was as high as £179,026 for a sex discrimination case and has potential to seriously damage the success and reputation of your business.

Because of the amount at stake, many businesses choose to outsource this particular issue to an expert in the area. **DS Recruitment & HR Services is happy to recommend the support of Croner Consulting to assist you.** Part of Wolter Kluwer UK, Croner Consulting is one of the UK's largest and most experienced providers of expert advice and guidance in the high-risk areas of Employment and Health & Safety.

Making sure you are ready for changes in legislation is now, more than at any other time, business critical. Services can be tailored to suit the needs of every business, but could include:

- 24 hour telephone advice line to help you tackle issues as they arise
- Employee management systems to ensure staff issues are dealt with correctly
- Expert Employment Tribunal representation
- Legal expenses insurance to cover representation costs and Tribunal awards
- Audits
- Training
